PRESPECTIVE

"I am standing on the seashore.
A ship spreads her sails to the
morning breeze and starts for the
ocean. I stood watching her until
she faded on the horizon and someone
at my side said, "She is gone".
"Gone where?" The loss of sight is
in me, not in her. Just at the moment
when someone said "She is gone", there
are others who are watching her coming.
Other voices take up the glad shout,
"Here She Comes". "And That Is Dying".
