*You meant so much to us —  
and we just wanted you to know  
how very much we care —  
You meant so much to us, you helped us  
to find a special outlook on life that  
was hiding deep inside of us,  
waiting just for someone like you  
to open the door and set us free.  
You meant so much to us —  
for you've been there through the good  
times and the bad, drying the tears and  
holding back the loneliness —  
giving us a friendly shoulder to lean on  
and enough smiles to taste a lifetime . . .  
You meant so much to us and we can't help but  
feel as though we owed so much more.  
And wherever time will take us . . .  
Wherever we may be,  
We will always remember how much you  
meant to us!*
