EVERLASTING LOVE

Some people say nothing last forever
I don't believe this is true:
I know that somethings are everlasting,
Like my love and memories of you.
I did all I could
Just as I know you would
We will never be apart
Cause you will always be in our hearts.
Father's Day is just around the corner
I can't say I'm very glad:
But at least now I know that you're at rest
So I won't be quite as sad.

We Love You

Jackie. Shelia,
Steve
