Just Thinking of You

You're such a nice person, no matter the season, that you're in our thoughts without Any reason.

You're friendly and cheerful each day of the year, and folks always smile whenever you're Near.

During the day we quite often find a kind word or deed that brings you to our mind.

You're such a nice person and we'd like to say that just thinking of you brings pleasure our way!

We will love you always, **your daughter Bridgett; Shanetta, Chester, Chelsie and Destinee**

Gentle Sleep In Loving Memory of Willie B Walker

My heart is heavy and I can't explain
the feeling inside is more than pain.

I know it shouldn't be because death
is to be rejoiced yet somehow I'm
sad with a feeling of remorse.

I'm missing a part of me you see, my
love hasn't died he has fallen asleep.

How I wish I could wake him to make
this pain go away but, I know that the
thing to do now is pray.

Because God knows exactly what we
can bare. No one ever said life would
be fair.

I will keep holding to God's unchanging
hand.

For this I know that without Him I couldn't
Withstand!!!!

With much love: Betty

Our Father Our Friend

Our father, so sweet and special to us you were there when we were
right. There when we were wrong. Our dear father we feel so alone.

Our friend, so kind and understanding. Secret thoughts and
disappointments were shared.

You've always listened and showed us just how much you cared.
We love you father, we'll miss you, our friend.

Love Always: Sheila and Dwaylon

Daddy,

You were the joy of my life.
I'm so sorry you had to leave
me so suddenly without saying
good-bye. I wasn't ready for
you to leave but, God knew
best. So, daddy you just sleep
on and take your rest. I'll meet
You on that GREAT day!

Your daughter always: Tina

He only takes the best:

God saw he was getting tired and a cure was not to be so he put his arms around him and whispered, "Come with Me."

With tear-filled eyes we watched him suffer and fade away although we loved him deeply, we could not make him stay.

A golden heart stopped beating, hard working hands put to rest. God broke our hearts to prove to us that he only takes the best! Daddy I'll never stop loving you.

LaShonda

My Brother Willie,

Oh Willie, how I will miss you so, it's deep in my heart so deep you will never know.

Spending times together brought back the past as I remembered times with Daddy are just like the times you and I had.

I will not let go of the past not with Daddy nor with you. It's that bond we had loving Daddy much as I Love you! My brother Willie forever:

Rody Walker
