*God picked a flower from this earth
And carried it to His Heavenly home.
It left our hearts saddened,
But we know God claims his own.*

Daddy

*The time has come for me
to say good-bye for a little while.
I know that I will see you again.
But the times we spent together
was our special moments.*

*My eyes get heavy and my heart gets light cause,
I know God is going to take good care of you.
I know you would want me to be a big girl
and make you proud,
and that's what I'm going to do.
I feel better knowing that
you are at peace now.
Let the Angels keep singing to you
Until we meet again*

*Love,
Jasmine*
