Special Thanks

Lynn, fear not my child, God loves you and knows best. For we know that you are gone to a better place.

Love,
Mom and Dad

Lynn, a very special person whom I love. We had our ups and downs, but you are gone to a much better place.

May God Bless You,
Sharika Tisdale

Lynn, I know you're in a place not too far away. Death came so quickly, I didn't know what to say. I looked at your face and peace came over me. I know you are with the Lord in Heaven, looking down on us, now that we love and miss you dearly. But God knew what was best. He called another one of his children. Now, Lynn, you're at rest.

Love,
Your Sisters and Brothers
