### *My Best*

*I am moving alone through life with a song;  
I have done some good, I have done some wrong;  
Bearing the crosses, enduring the pain,  
With my eyes on the goal, I am hoping to gain.  
I am ever moved, by the Holy Behest  
As I go through life to do my best.*

*And then when I come to the end of life's way  
And my sun goes down at the close of the day  
All weary and worn, I shall cling to my shield  
Tho' no herald acclaims me a hero in the field;  
In the cool of the evening, I shall come to my rest  
In the sweet conclusion, I've done my best!*
